Legislation has authorized the special license plates listed on the front of this application to be manufactured and designed upon receipt of 100 paid applications. When 100 applications have been received for the license plates that are personalized, you will be sent an additional application to indicate the alpha numeric characters of your choice. In the event that 100 paid applications are not received within 180 days after July 1, 2004, all monies will be refunded to you.

1. Your regular license plate must be currently registered at all times. **Failure to renew the regular license plate registration in a timely manner will result in a penalty.**
2. Once a special license plate has been assigned to an applicant, the applicant shall have priority to such license plate for succeeding years, provided a timely paid application for renewal is submitted. To insure that you receive a renewal application each year, please notify the Motor Vehicle Division Special License Plate Section of any address change.
3. A special license plate is to be displayed on the rear of the vehicle for which it is issued. The regular license plate may be kept inside the vehicle and produced upon request by law enforcement.
4. A special license plate may be transferred to another vehicle upon request. You must submit a completed Request to Transfer Form (OTC Form 783-A) to the Motor Vehicle Division Special License Plate Section to transfer the special plate to a different vehicle. This form may be obtained from your local tag agency, the website at www.tax.ok.gov, or the Oklahoma Tax Commission.
